

Comparing Angle Measurements and Diagrams

**1**Is the displayed angle less than or greater than 120° ?

A

Less than 120°

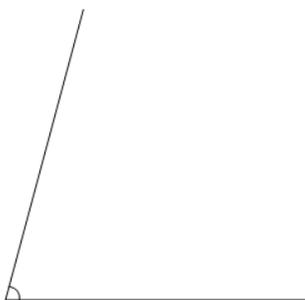

B

Greater than 120° **2**Is the displayed angle less than or greater than 60° ?

A

Less than 60°

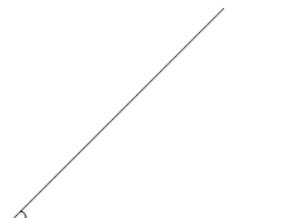

B

Greater than 60° **3**Is the displayed angle less than or greater than 90° ?

A

Less than 90°

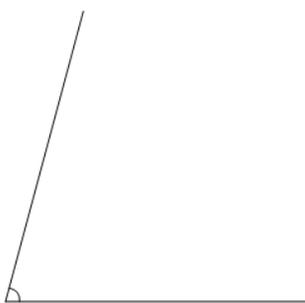

B

Greater than 90° **4**Is the displayed angle less than or greater than 75° ?

A

Less than 75°

B

Greater than 75° **5**Is the displayed angle less than or greater than 45° ?

A

Less than 45°

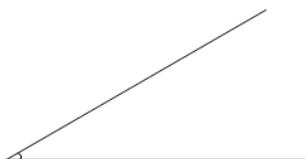

B

Greater than 45° **6**Is the displayed angle less than or greater than 15° ?

A

Less than 15°

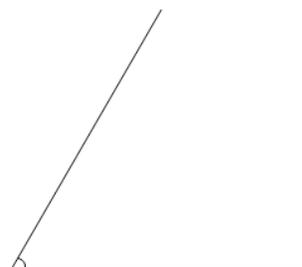

B

Greater than 15° **7**Is the displayed angle less than or greater than 90° ?

A

Less than 90°

B

Greater than 90° **8**Is the displayed angle less than or greater than 90° ?

A

Less than 90°

B

Greater than 90°
