

Comparing Angle Measurements and Diagrams

**1**Is the displayed angle less than or greater than 60° ?

A

Less than 60°

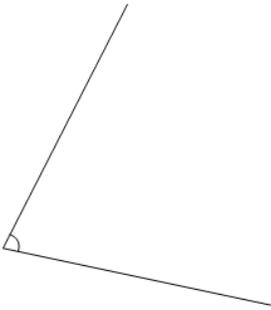

B

Greater than 60° **2**Is the displayed angle less than or greater than 75° ?

A

Less than 75°

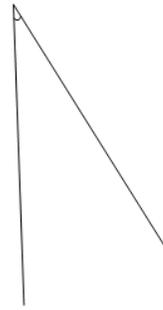

B

Greater than 75° **3**Is the displayed angle less than or greater than 105° ?

A

Less than 105°

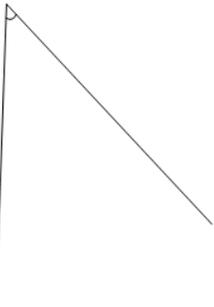

B

Greater than 105° **4**Is the displayed angle less than or greater than 90° ?

A

Less than 90°

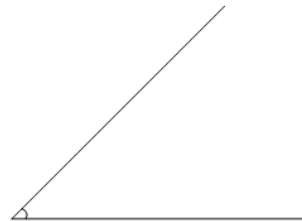

B

Greater than 90° **5**Is the displayed angle less than or greater than 90° ?

A

Less than 90°

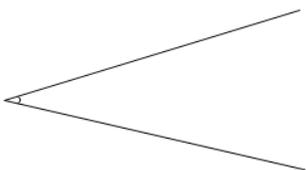

B

Greater than 90° **6**Is the displayed angle less than or greater than 75° ?

A

Less than 75°

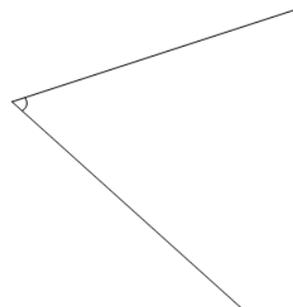

B

Greater than 75° **7**Is the displayed angle less than or greater than 90° ?

A

Less than 90°

B

Greater than 90° **8**Is the displayed angle less than or greater than 90° ?

A

Less than 90°

B

Greater than 90°
