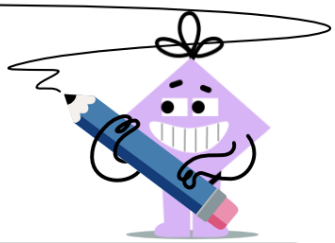
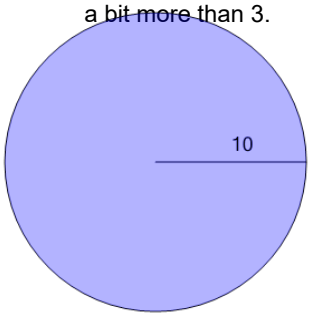
Name

Area of a Circle from Radius

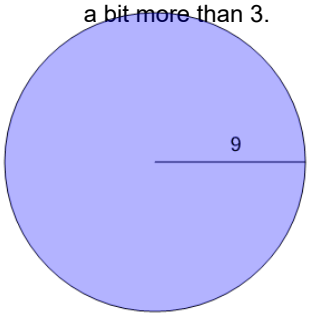


1 Find the area without using a calculator. Remember that π is just a bit more than 3.



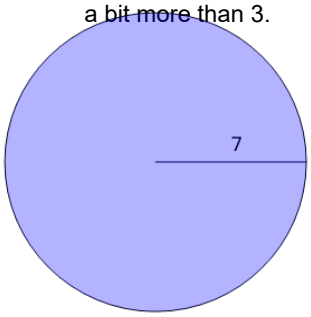
A	B
483.81	615.75
C	D
314.16	31.42
E	F
414.69	200

2 Find the area without using a calculator. Remember that π is just a bit more than 3.



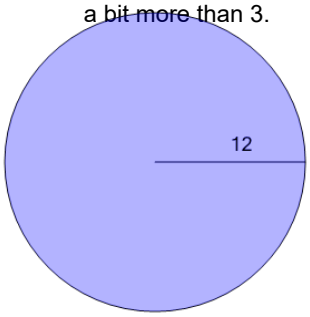
A	B
28.27	449.25
C	D
81	254.47
E	F
56.55	408.41

3 Find the area without using a calculator. Remember that π is just a bit more than 3.



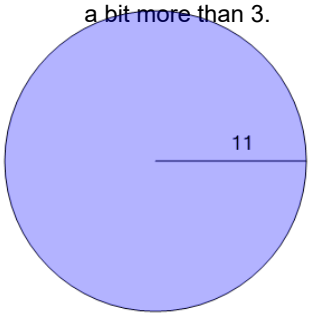
A	B
380.13	153.94
C	D
43.98	21.99
E	F
49	98

4 Find the area without using a calculator. Remember that π is just a bit more than 3.



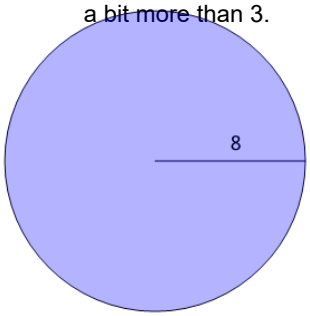
A	B
706.86	530.93
C	D
288	452.39
E	F
37.7	144

5 Find the area without using a calculator. Remember that π is just a bit more than 3.



A	B
380.13	121
C	D
571.77	659.73
E	F
242	34.56

6 Find the area without using a calculator. Remember that π is just a bit more than 3.



A	B
254.47	282.74
C	D
128	50.27
E	F
201.06	25.13
