Area of a Parallelogram - Equivalent Rectangle Fit

1	Which image shows the rectangle with the same area as the parallelogram?		2	Which image shows the rectangle with the same area as the parallelogram?		
Α	Dec Macon	В	A	5in 18in	B Sin	
3	Which image shows the rectangle with the same area as the parallelogram?		4	Which image shows the rectangle with the same area as the parallelogram?		
A	18m	B 18m	A	Sin 18in	B Sin 18in	
5	Which image shows the rectangle with the same area as the parallelogram?		6	Which image shows the rectangle with the same area as the parallelogram?		
A	2m 19in	B 19in	A	13ft	B 13ft	
7	Which image shows the rectangle with the same area as the parallelogram?		8	Which image shows the rectangle with the same area as the parallelogram?		
A	180	B 18ft 10ft 15	A	12m	B 12m
