

## Area of a Rectangle (side above 10) - Image with Grid to Area

1 Find the number of 1km by 1km squares this rectangle covers

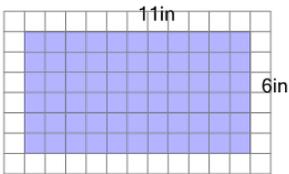

- |                 |                 |                  |
|-----------------|-----------------|------------------|
| A               | B               | C                |
| $18\text{km}^2$ | $72\text{km}^2$ | $128\text{km}^2$ |
| D               |                 |                  |
| $12\text{km}^2$ |                 |                  |

2 Find the number of 1ft by 1ft squares this rectangle covers

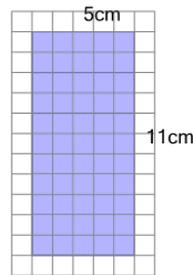

- |                 |                 |                 |
|-----------------|-----------------|-----------------|
| A               | B               | C               |
| $10\text{ft}^2$ | $55\text{ft}^2$ | $96\text{ft}^2$ |
| D               |                 |                 |
| $16\text{ft}^2$ |                 |                 |

3 Find the number of 1in by 1in squares this rectangle covers

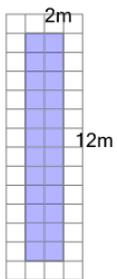

- |                  |                 |                 |
|------------------|-----------------|-----------------|
| A                | B               | C               |
| $140\text{in}^2$ | $12\text{in}^2$ | $66\text{in}^2$ |
| D                | E               |                 |
| $126\text{in}^2$ | $17\text{in}^2$ |                 |

4 Find the number of 1cm by 1cm squares this rectangle covers

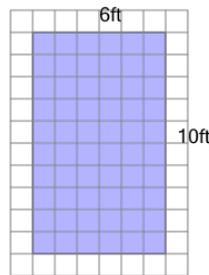

- |                 |                 |                 |
|-----------------|-----------------|-----------------|
| A               | B               | C               |
| $32\text{cm}^2$ | $16\text{cm}^2$ | $10\text{cm}^2$ |
| D               |                 |                 |
| $55\text{cm}^2$ |                 |                 |

5 Find the number of 1m by 1m squares this rectangle covers

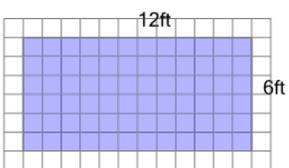

- |               |                |                |
|---------------|----------------|----------------|
| A             | B              | C              |
| $4\text{m}^2$ | $28\text{m}^2$ | $24\text{m}^2$ |
|               |                |                |

6 Find the number of 1ft by 1ft squares this rectangle covers

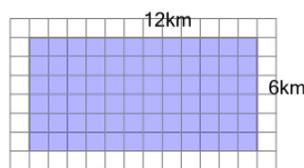

- |                 |                  |                 |
|-----------------|------------------|-----------------|
| A               | B                | C               |
| $12\text{ft}^2$ | $20\text{ft}^2$  | $16\text{ft}^2$ |
| D               | E                |                 |
| $60\text{ft}^2$ | $140\text{ft}^2$ |                 |

7 Find the number of 1ft by 1ft squares this rectangle covers

- |                  |                 |                 |
|------------------|-----------------|-----------------|
| A                | B               | C               |
| $112\text{ft}^2$ | $72\text{ft}^2$ | $24\text{ft}^2$ |
| D                | E               |                 |
| $18\text{ft}^2$  | $36\text{ft}^2$ |                 |

8 Find the number of 1km by 1km squares this rectangle covers

- |                 |                 |                  |
|-----------------|-----------------|------------------|
| A               | B               | C                |
| $72\text{km}^2$ | $24\text{km}^2$ | $144\text{km}^2$ |
| D               |                 |                  |
| $18\text{km}^2$ |                 |                  |
