

## Counting in Groups - Picture and Count (Specific Image)

**1** Each clover has 3 leaves. How many leaves would there be on 6 clovers?

x 6

A	B	C
20	13	21
D	E	F
18	14	22

**2** Each clover has 3 leaves. How many leaves would there be on 3 clovers?

x 3

A	B	C
11	9	6
D		
5		

**3** Each clover has 3 leaves. How many leaves would there be on 4 clovers?

x 4

A	B	C
15	16	9
D	E	F
10	7	12

**4** Each tricycle has 3 wheels. How many wheels would there be on 7 tricycles?

x 7

A	B	C
21	24	25
D	E	F
16	17	19

**5** Each tricycle has 3 wheels. How many wheels would there be on 4 tricycles?

x 4

A	B	C
7	16	12
D	E	
10	14	

**6** Each tricycle has 3 wheels. How many wheels would there be on 9 tricycles?

x 9

A	B	C
27	24	22
D	E	
25	23	

**7** Each tricycle has 3 wheels. How many wheels would there be on 5 tricycles?

x 5

A	B	C
18	17	15
D	E	
13	11	

**8** Each clover has 3 leaves. How many leaves would there be on 5 clovers?

x 5

A	B	C
10	19	15
D		
17
