 = 9 muffins

A	B
x 6	x 7

3

72 panes

Each window has 9 panes. How many windows would have this many total panes?

= 9 panes

A	B
x 7	x 8

4

54 muffins

Each tray has 9 muffins. How many trays would have this many total muffins?

 = 9 muffins

A	B
x 6	x 5

5

45 panes

Each window has 9 panes. How many windows would have this many total panes?

= 9 panes

A	B
x 6	x 5

6

63 panes

Each window has 9 panes. How many windows would have this many total panes?

= 9 panes

A	B
x 8	x 7

7

36 muffins

Each tray has 9 muffins. How many trays would have this many total muffins?

 = 9 muffins

A	B
x 4	x 3

8

18 muffins

Each tray has 9 muffins. How many trays would have this many total muffins?

 = 9 muffins

A	B
x 2	x 3
