# Graphing - Function Graphs - Major Type to Graph

1 Which graph is an example of this?   Cubic

A

B

2 Which graph is an example of this?   Exponential

A

B

3 Which graph is an example of this?   Linear

A

B

4 Which graph is an example of this?   Reciprocal

A

B

5 Which graph is an example of this?   Absolute Value

A

B

6 Which graph is an example of this?   Trigonometric

A

B

7 Which graph is an example of this?   Logarithmic

A

B

8 Which graph is an example of this?   Quadratic

A

B
