

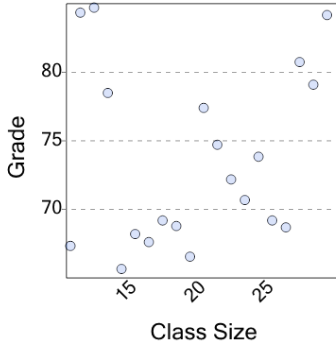

Graphing - Scatter Plot (Linear) - Graph to Axis Name (Explanatory/Response)

1

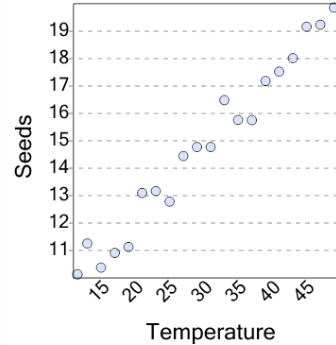

What is class size called on this scatter plot?

A Explanatory Variable

B Response Variable

2

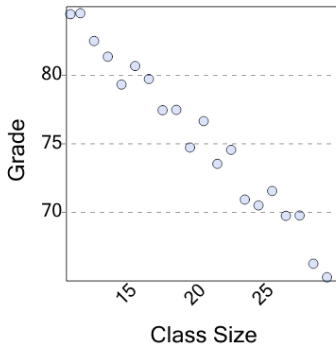

What is temperature called on this scatter plot?

A Explanatory Variable

B Response Variable

3

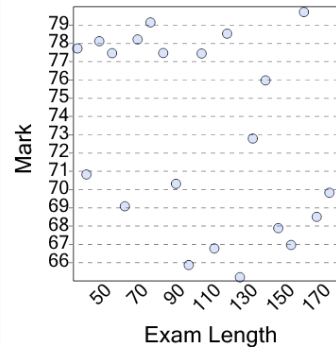

What is grade called on this scatter plot?

A Explanatory Variable

B Response Variable

4

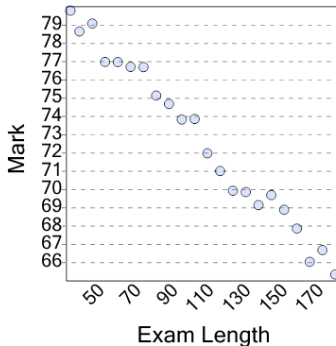

What is mark called on this scatter plot?

A Explanatory Variable

B Response Variable

5

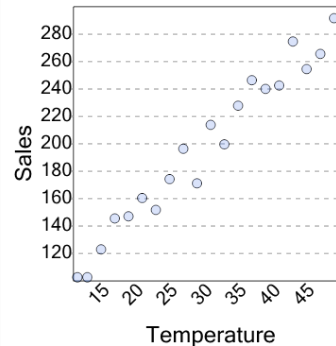

What is mark called on this scatter plot?

A Explanatory Variable

B Response Variable

6

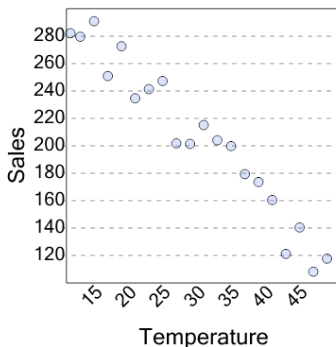

What is temperature called on this scatter plot?

A Explanatory Variable

B Response Variable

7

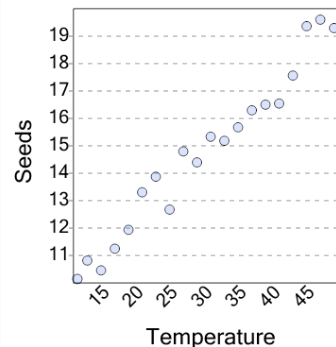

What is sales called on this scatter plot?

A Explanatory Variable

B Response Variable

8

What is temperature called on this scatter plot?

A Explanatory Variable

B Response Variable
