

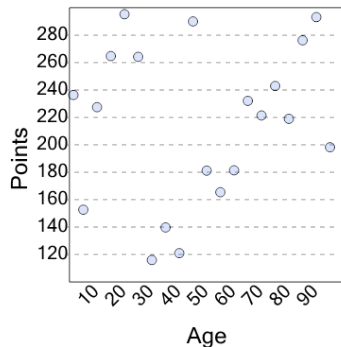

Graphing - Scatter Plot (Linear) - Graph to Axis Name (Independent/Dependent)

1

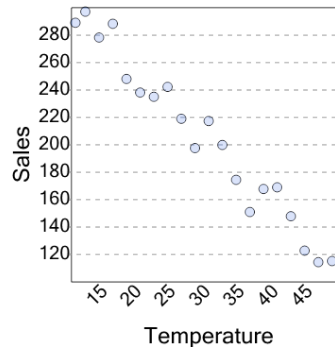

What is points called on this scatter plot?

A
Independent Variable

B
Dependent Variable

2

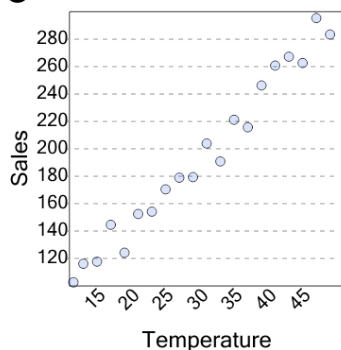

What is sales called on this scatter plot?

A
Independent Variable

B
Dependent Variable

3

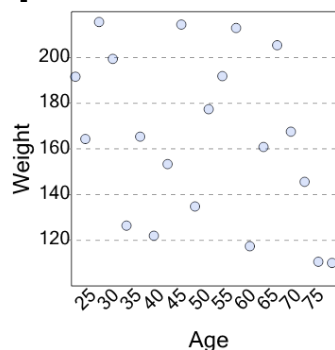

What is sales called on this scatter plot?

A
Independent Variable

B
Dependent Variable

4

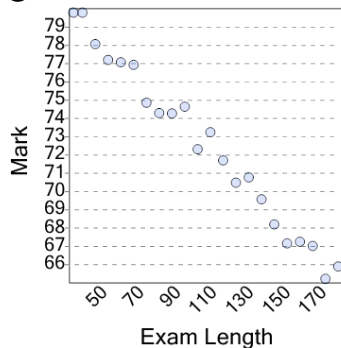

What is age called on this scatter plot?

A
Independent Variable

B
Dependent Variable

5

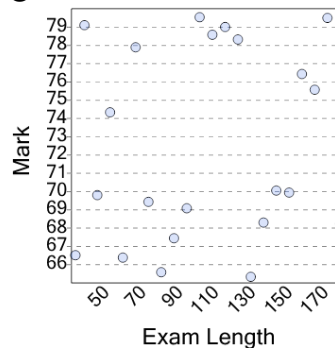

What is mark called on this scatter plot?

A
Independent Variable

B
Dependent Variable

6

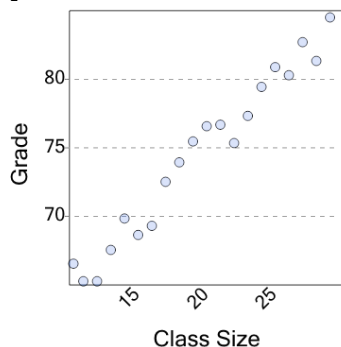

What is mark called on this scatter plot?

A
Independent Variable

B
Dependent Variable

7

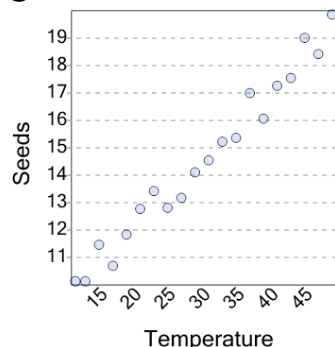

What is class size called on this scatter plot?

A
Independent Variable

B
Dependent Variable

8

What is seeds called on this scatter plot?

A
Independent Variable

B
Dependent Variable
