

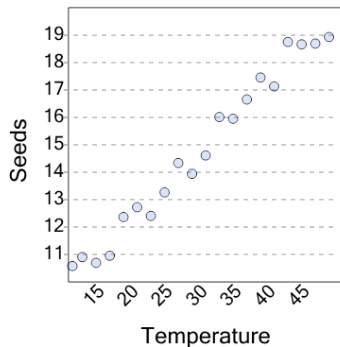

Graphing - Scatter Plot (Linear) - Graph to Dependent Variable

1

What is the dependent variable on this scatter plot?

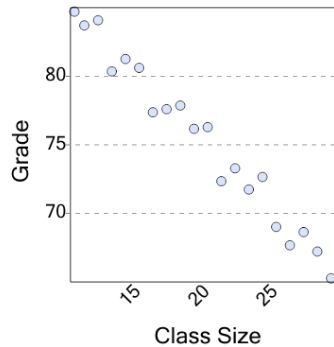

A

Temperature

B

Seeds

2

What is the dependent variable on this scatter plot?

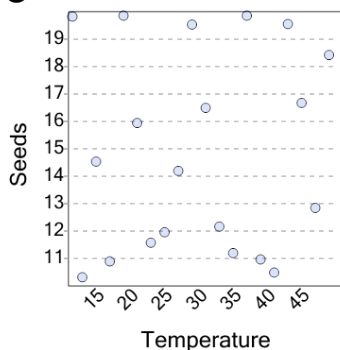

A

Class Size

B

Grade

3

What is the dependent variable on this scatter plot?

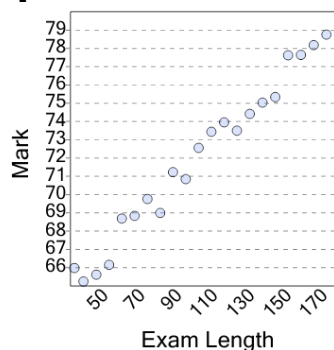

A

Seeds

B

Temperature

4

What is the dependent variable on this scatter plot?

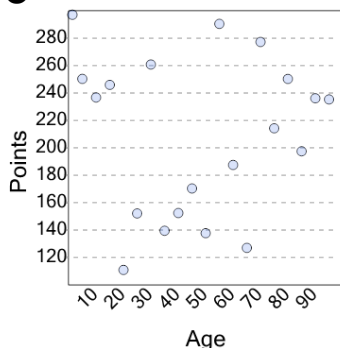

A

Mark

B

Exam Length

5

What is the dependent variable on this scatter plot?

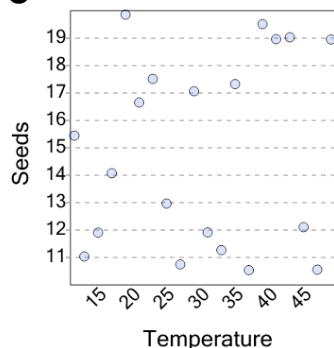

A

Age

B

Points

6

What is the dependent variable on this scatter plot?

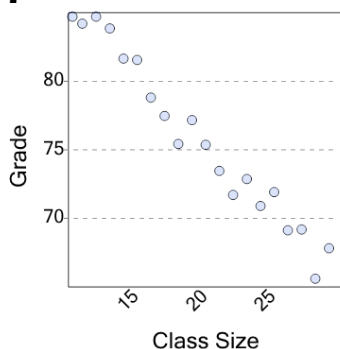

A

Seeds

B

Temperature

7

What is the dependent variable on this scatter plot?

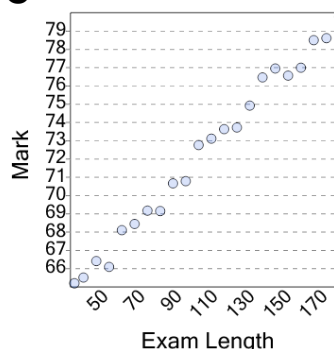

A

Class Size

B

Grade

8

What is the dependent variable on this scatter plot?

A

Exam Length

B

Mark
