Graphing - Scatter Plot (Linear) - Trend to Independent Variable

			140 41 41 1	
What is the independent variable described in this trend?	As age increases, weight tends to decrease	2	What is the independent variable described in this trend?	As temperature increases, seeds tends to decrease
	В	A		В
Weight	Age		Temperature	Seeds
What is the independent variable described in this trend?	As class size increases, grade tends to increase	4	What is the independent variable described in this trend?	As age increases, points tends to decrease
	В	A		В
	Class Size		Points	Age
What is the independent variable described in this trend?	As class size increases, grade tends to decrease	6	What is the independent variable described in this trend?	As age increases, points tends to increase
Class Size	B Grade	A	Points	Age
What is the independent variable described in this trend?	As exam length increases, mark tends to decrease	8	What is the independent variable described in this trend?	As temperature increases, sales tends to decrease
Exam Length	B Mark	A	Sales	B Temperature
