mobius

Fact Family - Slope - Fact to Triangle

1 What fact family triangle would give this slope fact?
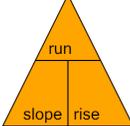

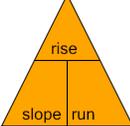

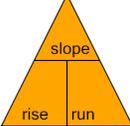

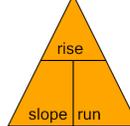

$$\text{slope} = \frac{\text{rise}}{\text{run}}$$

A	B	C
rise / slope run	slope / rise run	run / slope rise

2 What fact family triangle would give this slope fact?

$$\text{run} = \frac{\text{rise}}{\text{slope}}$$

A	B	C
rise / slope run	slope / rise run	run / slope rise
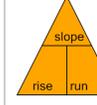

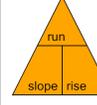

3 What fact family triangle would give this slope fact?

$$\text{run} \cdot \text{slope} = \text{rise}$$

A	B	C
slope / rise run	run / slope rise	rise / slope run

4 What fact family triangle would give this slope fact?

$$\text{slope} \cdot \text{run} = \text{rise}$$

A	B	C
slope / rise run	rise / slope run	run / slope rise
