

## Number Line - Simple Fractions (Uneven Tick Marks), Interval Spacing - Name

### Denominator

What fraction is the whole split into?

- |        |        |         |          |        |        |
|--------|--------|---------|----------|--------|--------|
| A      | B      | C       | D        | E      | F      |
| thirds | halves | fourths | quarters | ninths | fifths |

What fraction is the whole split into?

- |        |         |        |        |        |          |
|--------|---------|--------|--------|--------|----------|
| A      | B       | C      | D      | E      | F        |
| fifths | fourths | halves | thirds | sixths | quarters |

What fraction is the whole split into?

- |        |        |        |        |
|--------|--------|--------|--------|
| A      | B      | C      | D      |
| fifths | halves | thirds | ninths |

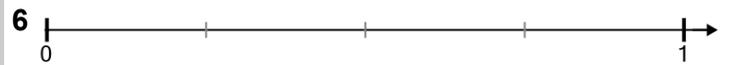

What fraction is the whole split into?

- |        |        |        |        |        |          |
|--------|--------|--------|--------|--------|----------|
| A      | B      | C      | D      | E      | F        |
| sixths | fifths | halves | ninths | thirds | sevenths |

What fraction is the whole split into?

- |        |          |        |         |         |        |
|--------|----------|--------|---------|---------|--------|
| A      | B        | C      | D       | E       | F      |
| ninths | sevenths | fifths | fourths | eighths | halves |

What fraction is the whole split into?

- |         |        |        |        |          |         |
|---------|--------|--------|--------|----------|---------|
| A       | B      | C      | D      | E        | F       |
| eighths | ninths | halves | thirds | sevenths | fourths |

What fraction is the whole split into?

- |         |        |        |        |         |          |
|---------|--------|--------|--------|---------|----------|
| A       | B      | C      | D      | E       | F        |
| eighths | thirds | ninths | fifths | fourths | sevenths |

What fraction is the whole split into?

- |          |          |        |        |         |         |
|----------|----------|--------|--------|---------|---------|
| A        | B        | C      | D      | E       | F       |
| quarters | sevenths | halves | ninths | eighths | fourths |
