

## Patterning - Concept Intro - Type to Rule

1 Which rule describes this type of pattern?		2 Which rule describes this type of pattern?	
Decreasing (Arithmetic)		Repeating	
A	B	A	B
Start at 18 and subtract 4 for each term	Find that 5, 9 repeats and repeat those numbers	Find that 8, 7 repeats and repeat those numbers	Start at 1 and add 3 for each term
3 Which rule describes this type of pattern?			
Increasing (Arithmetic)			
A	B		
Start at 1 and add 4 for each term	Start with 1 and 2. Add the prior two terms for each subsequent term
