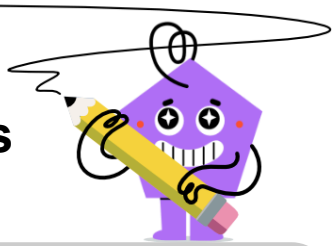
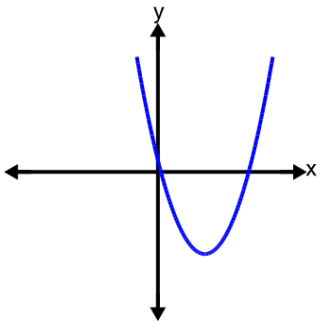
Quadratic Discriminants - Graph to Has Real Roots



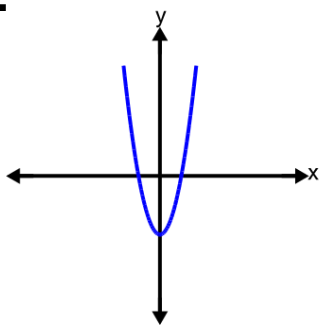
1



Does this quadratic function have one or more real roots?

A	B
Yes	No

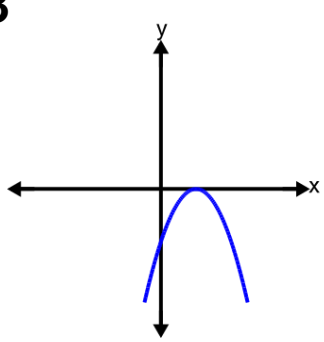
2



Does this quadratic function have one or more real roots?

A	B
Yes	No

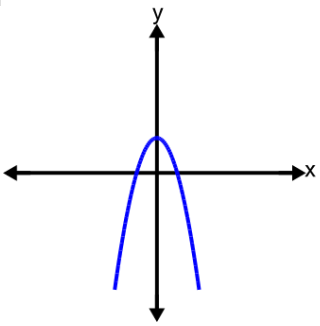
3



Does this quadratic function have one or more real roots?

A	B
Yes	No

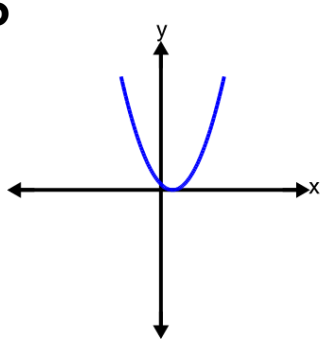
4



Does this quadratic function have one or more real roots?

A	B
Yes	No

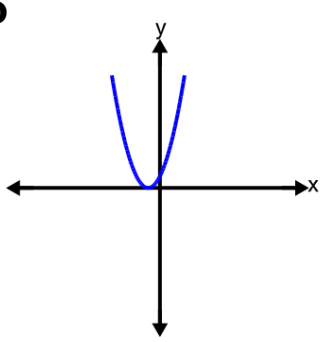
5



Does this quadratic function have one or more real roots?

A	B
Yes	No

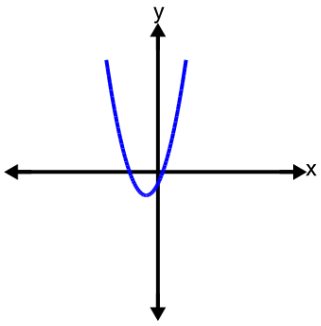
6



Does this quadratic function have one or more real roots?

A	B
Yes	No

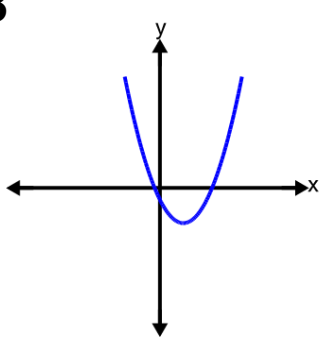
7



Does this quadratic function have one or more real roots?

A	B
Yes	No

8



Does this quadratic function have one or more real roots?

A	B
Yes	No
