# 2D Shape Symmetry - Which Shape Is Symmetric
Name

1

Which right side image would be symmetric?

A   B

2

Which right side image would be symmetric?

A   B

3

Which right side image would be symmetric?
A   B

4

Which right side image would be symmetric?
A   B

5

Which right side image would be symmetric?

A   B

6

Which right side image would be symmetric?

A   B

7

Which right side image would be symmetric?

A   B

8

Which right side image would be symmetric?
A   B
