# 2D Shape Symmetry - Which Shape Is Symmetric
Name

1

Which right side image would be symmetric?
A
B

2

Which right side image would be symmetric?

A
B

3

Which right side image would be symmetric?

A
B

4
Which right side image would be symmetric?

A
B

5

Which right side image would be symmetric?

A
B

6

Which right side image would be symmetric?

A
B

7

Which right side image would be symmetric?

A
B

8
Which right side image would be symmetric?

A
B
