

2D Shape Symmetry - Which Shape Is Symmetric

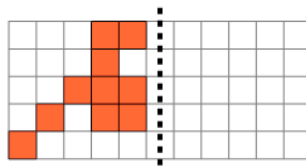

1

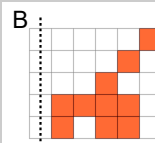

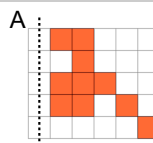

Which right side image would be symmetric?

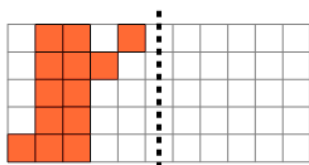

2

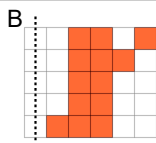

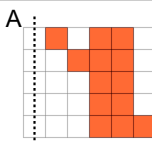

Which right side image would be symmetric?

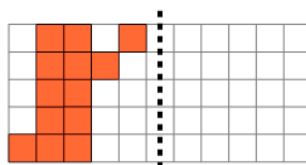

3

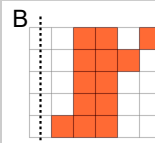

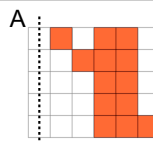

Which right side image would be symmetric?

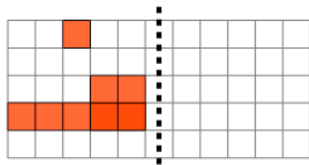

4

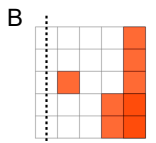

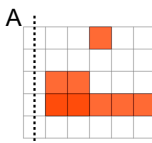

Which right side image would be symmetric?

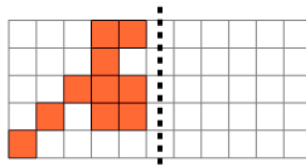

5

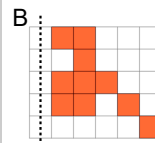

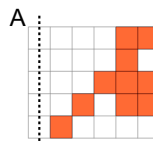

Which right side image would be symmetric?

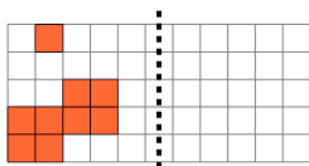

6

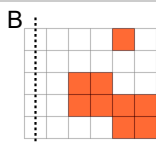

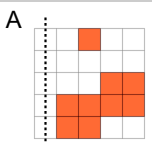

Which right side image would be symmetric?

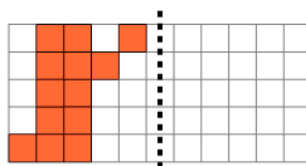

7

Which right side image would be symmetric?

8

Which right side image would be symmetric?
