# 3D Shapes - Count Edges and Vertices - Reversed
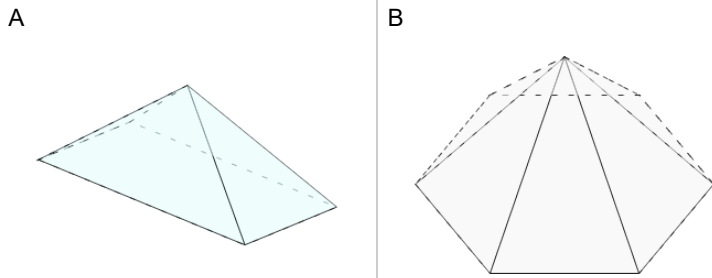

Name

1 Select the shape that is described — 12 edges, 8 vertices
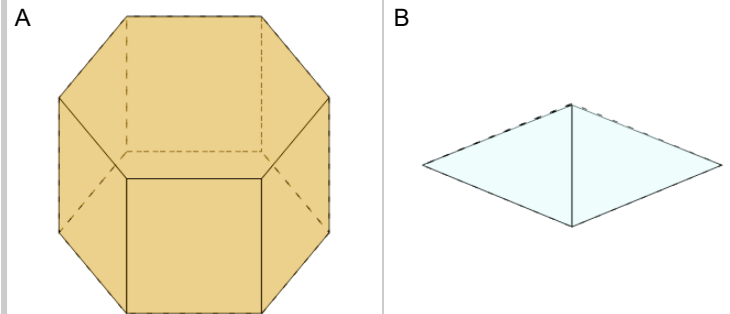

A

B

2 Select the shape that is described — 15 edges, 10 vertices
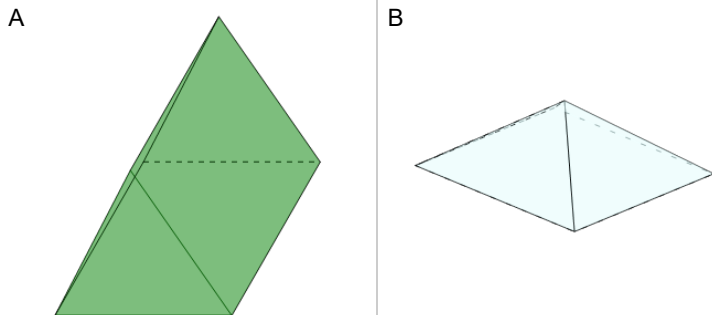

A

B
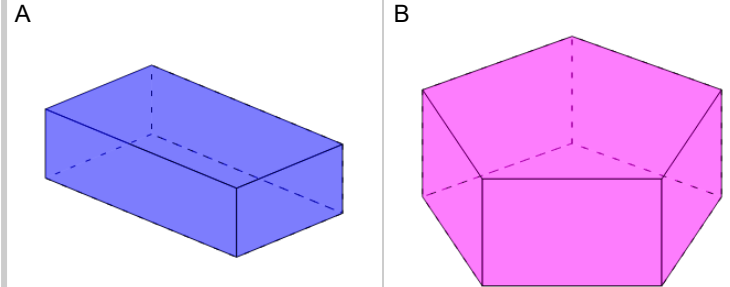

3 Select the shape that is described — 12 edges, 7 vertices
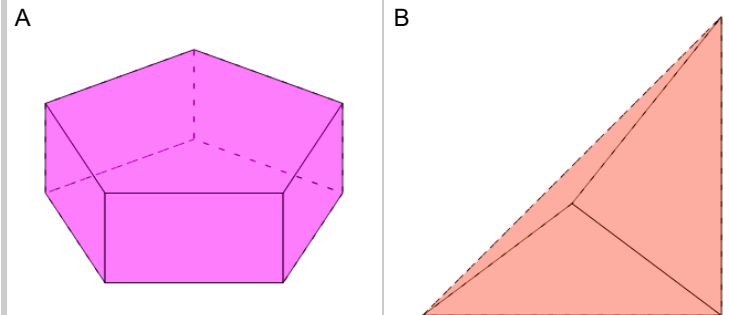

A

B

**4** Select the shape that is described — 8 edges, 5 vertices

A

B

5 Select the shape that is described — 9 edges, 6 vertices

A

B

6 Select the shape that is described — 6 edges, 4 vertices

A

B

7 Select the shape that is described — 10 edges, 6 vertices

A

B

8 Select the shape that is described — 18 edges, 12 vertices

A
