# Slope - Find Parallel - Decimal Slope to Graph

**1** What line has a slope that is PARALLEL to this slope?   m=4

A

B

**2** What line has a slope that is PARALLEL to this slope?   m=5

A

B

**3** What line has a slope that is PARALLEL to this slope?   m=-2

A

B

**4** What line has a slope that is PARALLEL to this slope?   m=-4

A

B

**5** What line has a slope that is PARALLEL to this slope?   m=-3
A

B

6 What line has a slope that is PARALLEL to this slope?   m=3
A

B

**7** What line has a slope that is PARALLEL to this slope?   m=-0.33

A

B

8 What line has a slope that is PARALLEL to this slope?   m=-0.2

A

B
