

Slope - Find Perpendicular - Graph to Graph

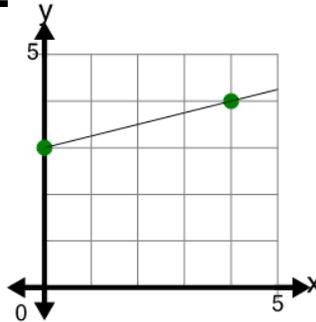

1

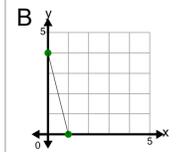

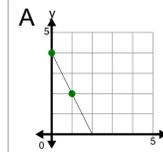

What line has a slope that is PERPENDICULAR to the slope of the line on this graph?

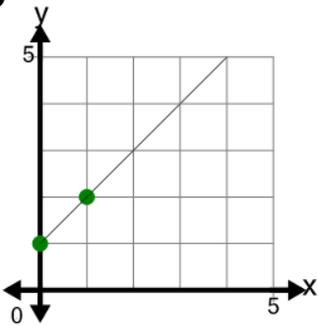

2

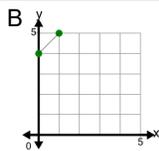

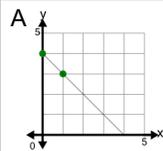

What line has a slope that is PERPENDICULAR to the slope of the line on this graph?

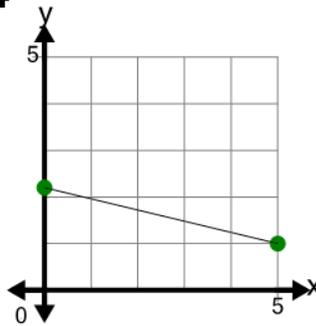

3

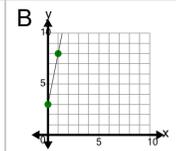

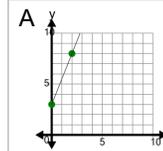

What line has a slope that is PERPENDICULAR to the slope of the line on this graph?

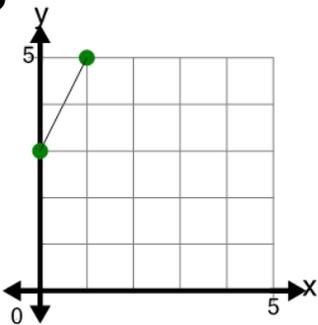

4

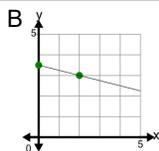

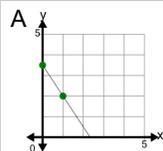

What line has a slope that is PERPENDICULAR to the slope of the line on this graph?

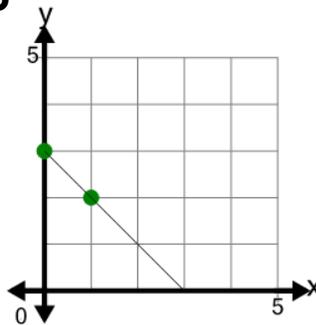

5

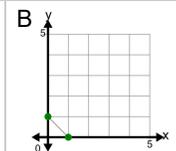

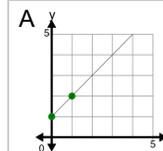

What line has a slope that is PERPENDICULAR to the slope of the line on this graph?

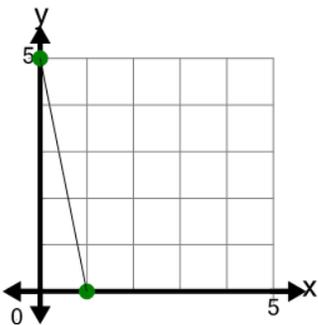

6

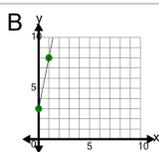

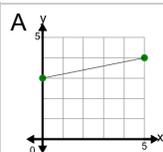

What line has a slope that is PERPENDICULAR to the slope of the line on this graph?

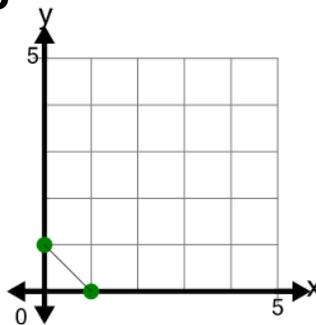

7

What line has a slope that is PERPENDICULAR to the slope of the line on this graph?

8

What line has a slope that is PERPENDICULAR to the slope of the line on this graph?
