

## Statistics - Concept Intro Range - Description to Answer

**1** What is the DIFFERENCE between the largest and smallest number of oranges the kids have?

7      1      7      3

| A | B  | C |
|---|----|---|
| 1 | 10 | 8 |

| D | E  | F |
|---|----|---|
| 6 | 11 | 4 |

**2** What is the DIFFERENCE between the largest and smallest number of candies the kids have?

5      5      4      2

| A | B | C |
|---|---|---|
| 7 | 3 | 2 |

| D | E | F |
|---|---|---|
| 4 | 1 | 0 |

**3** What is the DIFFERENCE between the largest and smallest number of ice creams the kids have?

2      6      5      3

| A | B | C |
|---|---|---|
| 9 | 4 | 7 |

| D | E | F |
|---|---|---|
| 3 | 1 | 0 |

**4** What is the DIFFERENCE between the largest and smallest number of ice creams the kids have?

5      6      7      5

| A | B | C |
|---|---|---|
| 2 | 4 | 1 |

| D | E | F |
|---|---|---|
| 6 | 0 | 3 |

**5** What is the DIFFERENCE between the largest and smallest number of donuts the kids have?

5      2      2      1

| A | B | C |
|---|---|---|
| 7 | 8 | 4 |

| D | E | F |
|---|---|---|
| 6 | 2 | 0 |

**6** What is the DIFFERENCE between the largest and smallest number of donuts the kids have?

2      3      5      6

| A | B | C |
|---|---|---|
| 9 | 8 | 7 |

| D | E | F |
|---|---|---|
| 3 | 4 | 0 |

**7** What is the DIFFERENCE between the largest and smallest number of donuts the kids have?

1      6      3      7

| A | B | C |
|---|---|---|
| 8 | 9 | 4 |

| D  | E | F  |
|----|---|----|
| 11 | 6 | 10 |

**8** What is the DIFFERENCE between the largest and smallest number of oranges the kids have?

4      3      5      4

| A | B | C |
|---|---|---|
| 6 | 2 | 1 |

| D | E | F |
|---|---|---|
| 0 | 3 | 4 |
