

## Statistics - Histograms - Frequency Table to Distribution Type

1

What distribution type does this frequency table suggest?

Class	[40, 50)	[50, 60)	[60, 70)	[70, 80)	[80, 90)	[90, 100]
Freq	2	2	2	2	2	2

- A right-skewed
- B left-skewed
- C approximately symmetric
- D uniform

2

What distribution type does this frequency table suggest?

Class	[40, 50)	[50, 60)	[60, 70)	[70, 80)	[80, 90)	[90, 100]
Freq	1	2	4	3	2	1

- A left-skewed
- B right-skewed
- C approximately symmetric
- D uniform

3

What distribution type does this frequency table suggest?

Class	[40, 50)	[50, 60)	[60, 70)	[70, 80)	[80, 90)	[90, 100]
Freq	1	1	2	3	4	2

- A right-skewed
- B uniform
- C approximately symmetric
- D left-skewed

4

What distribution type does this frequency table suggest?

Class	[40, 50)	[50, 60)	[60, 70)	[70, 80)	[80, 90)	[90, 100]
Freq	2	4	3	2	1	1

- A left-skewed
- B right-skewed
- C uniform
- D approximately symmetric
