

Statistics - Histograms - Histogram to Distribution Type

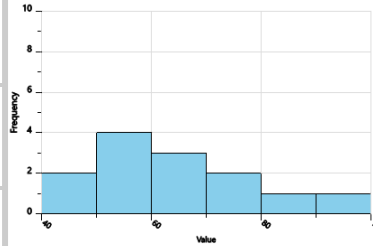

1 What is the distribution type of this histogram?

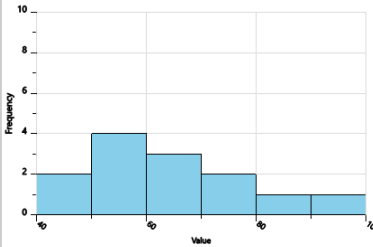

- A uniform
- B left-skewed
- C right-skewed
- D approximately symmetric

2 What is the distribution type of this histogram?

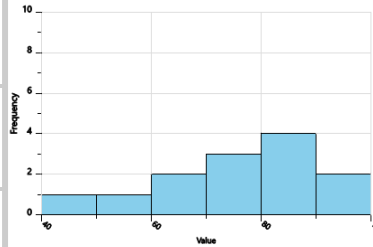

- A left-skewed
- B approximately symmetric
- C right-skewed
- D uniform

3 What is the distribution type of this histogram?

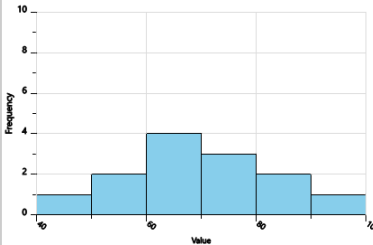

- A uniform
- B right-skewed
- C left-skewed
- D approximately symmetric

4 What is the distribution type of this histogram?

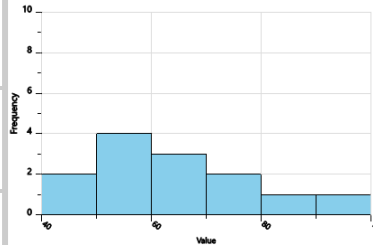

- A approximately symmetric
- B right-skewed
- C uniform
- D left-skewed

5 What is the distribution type of this histogram?

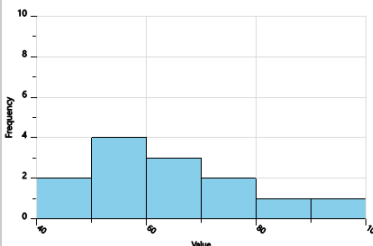

- A left-skewed
- B approximately symmetric
- C uniform
- D right-skewed

6 What is the distribution type of this histogram?

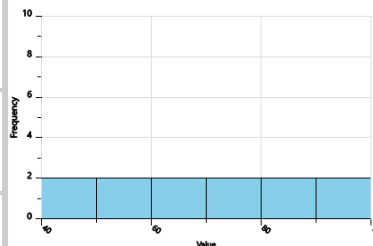

- A uniform
- B approximately symmetric
- C left-skewed
- D right-skewed

7 What is the distribution type of this histogram?

- A approximately symmetric
- B right-skewed
- C left-skewed
- D uniform

8 What is the distribution type of this histogram?

- A left-skewed
- B uniform
- C approximately symmetric
- D right-skewed
