

Sums - Series of Integers M to N - Addition to Sum

1

What would the sum be for this set of integers?

$$5 + 6 + \dots + 14 + 15$$

A	114	B	126
C	105	D	110
E	95		

2

What would the sum be for this set of integers?

$$2 + 3 + \dots + 14 + 15$$

A	120	B	119
C	135	D	104
E	117		

3

What would the sum be for this set of integers?

$$9 + 10 + \dots + 23 + 24$$

A	255	B	240
C	289	D	264
E	272		

4

What would the sum be for this set of integers?

$$1 + 2 + \dots + 12 + 13$$

A	90	B	91
C	105	D	78

5

What would the sum be for this set of integers?

$$11 + 12 + \dots + 20 + 21$$

A	155	B	186
C	198	D	165
E	176		

6

What would the sum be for this set of integers?

$$9 + 10 + \dots + 16 + 17$$

A	117	B	108
C	100	D	135
E	125		

7

What would the sum be for this set of integers?

$$10 + 11 + \dots + 23 + 24$$

A	255	B	245
C	280	D	231
E	264		

8

What would the sum be for this set of integers?

$$14 + 15 + \dots + 24 + 25$$

A	234	B	220
C	209	D	247
E	260
