

Surface Area - Sphere - Image to Decimal

**1** $r = 2$

What is the surface area of this Sphere?

A	B
48.92	50.27

2 $r = 4$

What is the surface area of this Sphere?

A	B
201.06	205.11

3 $r = 3$

What is the surface area of this Sphere?

A	B
117.15	113.1

4 $r = 5$

What is the surface area of this Sphere?

A	B
314.16	311.46

5 $r = 3$

What is the surface area of this Sphere?

A	B
109.05	113.1

6 $r = 3$

What is the surface area of this Sphere?

A	B
113.1	115.8

7 $r = 4$

What is the surface area of this Sphere?

A	B
201.06	199.71

8 $r = 4$

What is the surface area of this Sphere?

A	B
199.71	201.06
