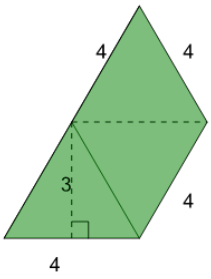
Name

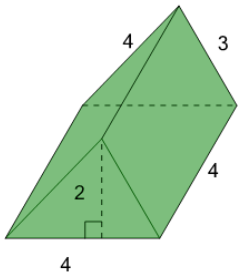
Surface Area of a Triangular Prism (Non-Right) - Calculate

1 What is the surface area of this Triangular Prism?



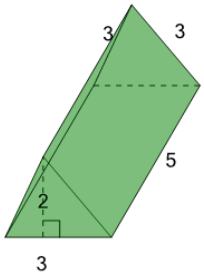
A	B	C
12	90	60
D	**E**	**F**
72	18	42

2 What is the surface area of this Triangular Prism?



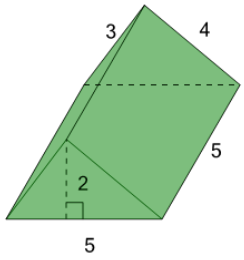
A	B	C
82	62	22
D	**E**	**F**
52	87	42

3 What is the surface area of this Triangular Prism?



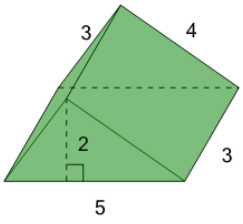
A	B	C
56	11	51
D	**E**	**F**
26	96	76

4 What is the surface area of this Triangular Prism?



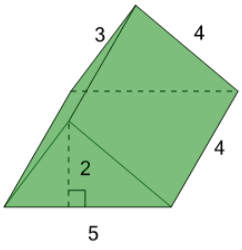
A	B	C
70	77	7
D	**E**	**F**
14	49	119

5 What is the surface area of this Triangular Prism?



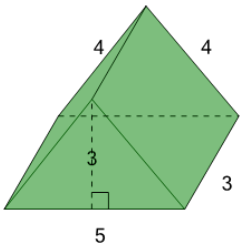
A	B	C
19	23.5	64
D	**E**	**F**
55	46	77.5

6 What is the surface area of this Triangular Prism?



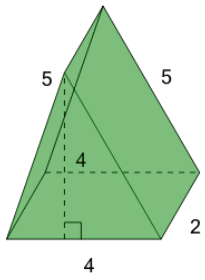
A	B	C
74.5	58	107.5
D	**E**	**F**
41.5	30.5	36

7 What is the surface area of this Triangular Prism?



A	B	C
69	19	59
D	**E**	**F**
39	34	54

8 What is the surface area of this Triangular Prism?



A	B	C
16	44	60
D	**E**	**F**
56	28	64
