

Trigonometry - Quadrant Sign - Quadrant Number to Two Trig Ratios and Signs

1

I

What are the signs on trig ratios in this quadrant?

A	B
cos → positive	cos → positive
tan → negative	tan → positive

2

III

What are the signs on trig ratios in this quadrant?

A	B
sin → negative	sin → positive
tan → positive	tan → positive

3

IV

What are the signs on trig ratios in this quadrant?

A	B
tan → negative	tan → negative
sin → positive	sin → negative

4

II

What are the signs on trig ratios in this quadrant?

A	B
cos → negative	cos → negative
tan → positive	tan → negative
