

Volume of a Triangular Prism (Right) - Calculate Prism Side from Volume and Sides

1 What is the length of the missing side of this Triangular Prism?

A B C
4 9 11
D E F
10 5 13

2 What is the length of the missing side of this Triangular Prism?

A B C
7 1 4
D E F
5 9 2

3 What is the length of the missing side of this Triangular Prism?

A B C
4 2 7
D E F
3 6 1

4 What is the length of the missing side of this Triangular Prism?

A B C
5 12 4
D E F
1 8 7

5 What is the length of the missing side of this Triangular Prism?

A B C
10 9 7
D E F
4 6 12

6 What is the length of the missing side of this Triangular Prism?

A B C
12 1 7
D E F
3 5 6

7 What is the length of the missing side of this Triangular Prism?

A B C
9 3 1
D E F
4 12 10

8 What is the length of the missing side of this Triangular Prism?

A B C
11 1 13
D E F
5 3 4
